Section 5: Disciplinary Action

The Pool Manager and Assistant Manager have the authority to expel any patron or member for violation of the safety rules and regulations of the Albion Swimming Pool, for disrespectful acts toward the employees, and/or for damage to City property. It is at the Management's discretion whether the nature of an infraction is sufficiently grievous to cause a patron or member to be expelled from the premises. The City Administrator and Pool Manager shall determine the penalties for violations.

Section 6: Daily Operating Procedures

- Water Quality Tests shall be performed and Reports filled out every 2 hours of operation.
- Pool is to be thoroughly inspected for any abnormalities during the testing intervals.
- Sanitation of the pool house, locker rooms, and pool decks will be performed daily. All areas must be clean of debris.
- All personnel shall be required to wear safety goggles and protective gloves when performing routine maintenance and handling water treatment products.
- Patron Break Periods – A whistle will be blown and/or an announcement made at ten minutes to the hour. All swimmers must exit the pool and rest on the pool deck. Adult swimmers (18 and over) may be allowed to lap swim at this time at the discretion of pool staff. Lifeguards will use this break to evaluate the pool conditions, check the pool drain, check cleanliness of facility, rehydrate, and cool down. The pool deck shall not be unsupervised during this break period. A ten minute break will not be held during the last hour of operation.
- The Filtration Area and Chemical Room shall be locked at all times.
- Fire Extinguishers and Safety Rescue Equipment shall be inspected every Monday and documented.
- Patrons may use the telephone in the presence of the City staff.
- Weather related closings or postponements shall be at the management's discretion and may require an event to be rescheduled.
- In case of inclement weather, postponements, or cancellation of scheduled events, the management will make every effort to notify the public in a timely manner.
- The management will monitor weather conditions and announcements from the National Weather Service. Management shall evaluate the situation and determine the most practical safety precautions necessary for the safety of the patrons and pool employees.
- When inclement weather or maintenance forces the pool to close for short intervals, the management will evaluate the situation and the pool will be reopened if possible. Depending on severity of weather, lifeguards may be required to stay after closing while management evaluates the duration of the weather conditions and determines if reopening will be possible.
- During a day closing, employees will be required to report to the pool for the evening hours shift unless notified by a manager.

Section 7: Pool Rules

All pool employees must read and understand all rules and procedures for each area of the pool. It is the responsibility of the lifeguards and management to enforce the rules and regulations of this pool to provide for a pleasant and professional atmosphere. Disciplinary action may be taken for failure to enforce and comply with pool rules and regulations.

- Any conduct, behavior, or activity that endangers the welfare, safety, and/or comfort of other patrons is prohibited.
- Bullying will not be tolerated anywhere on the premises and may result in immediate expulsion.

7. Swimmers wanting to use the diving board may be required to pass a swim test administered by a lifeguard.
8. Lifeguards and/or management have the authority to prohibit swimmers from using the diving board or diving area due to their lack of swimming ability.

Section 8: Aquatic Personnel

RULE #1: Safety

Preventing accidents through the enforcement of policies, rules and regulation is our #1 priority. It is the responsibility of the lifeguards and management to enforce the rules and regulations of this pool to provide for a pleasant, safe and professional atmosphere. Disciplinary action can be taken for failure to enforce and comply with pool rules and equipment regulations.

Training

Employees may be required by management to attend regularly scheduled training sessions.

Facility Maintenance & Cleanliness

Each pool staff member shall adhere to daily maintenance and cleaning schedule as established by management.

Attendance

It is expected of each employee to report to work on time and continue to work to the end of the work period. Unsatisfactory attendance, including reporting late or quitting early, may be cause for disciplinary action.

Time Off

All employees will be asked to submit requested time off in writing prior to the season opening. The Manager will set and display the work schedule two weeks in advance. All time-off requests from employees must be provided in writing. All requests must be submitted seven days in advance to the Manager. Employees are responsible for arranging substitutions when necessary; however, all changes to the schedule must be approved by the Manager. The Manager has the authority to deny time-off requests due to inadequate labor to properly operate the facility.

Breaks and Lunch Periods

Management may establish short break and lunch break periods for pool staff. If such break periods are scheduled by management, they shall be done so in an equitable fashion for all pool staff members. No more than one short break shall be scheduled within one 4-hour work period. The Department of Labor recognizes short breaks as 5 to 20 minutes long and they are compensable. Lunch breaks longer than 20 minutes are not compensable.

Cell Phones

Cell phones and texting will not be allowed during work hours. Cell phones must be stored in a purse or bag out of plain sight. Lockers in the office area shall be used for staff personal belongings. The Albion Swimming Pool is equipped with a phone to use for emergencies and occasional personal use. Violation of the cell phone policy will result in disciplinary action.

Employee Discipline

All employees recognize that they are representatives of the City of Albion. Enforcing the rules and regulations will provide for a pleasant and professional atmosphere and is a direct reflection of an organized recreation facility. Pool Management has supervisory authority of all pool staff and any and all disciplinary action will follow the City of Albion Personnel Manual.

Uniforms

All guards must wear appropriate authorized swim wear displaying the word lifeguard or the lifeguard symbol. The City will purchase each guard an appropriate swim suit up to \$50 in cost. Management Staff and Attendants will also be provided with appropriate identifying attire.
